A detailed Renaissance painting depicting the Resurrection. Jesus Christ, with a pale, risen body, stands in the center, wearing a red mantle. He holds a staff topped with a white flag bearing a red cross. To his right, a Roman soldier in ornate armor kneels in terror. In the background, other soldiers and a landscape with rolling hills and trees are visible. The sky is filled with soft, ethereal light.

“Why look among the dead
for someone who is alive?
He is not here,
he is risen.”

Luke 24:5-6

Easter Sunday
21st April 2019

Happy Easter from all at Caritas Australia!

Thank you for supporting us this year as we showcase the many ways we work around the world with our local partners to offer hope to people most vulnerable to extreme poverty and injustice. Caritas is working with communities providing hope for a just and fair world for all generations, backgrounds, cultures and communities, who are part of one human family.

You are empowering communities to break free from the cycle of poverty whilst ensuring they are the architects of their own development. Lives change when we all give 100%.

Thank you for supporting Caritas Australia's Project Compassion 2019 Lenten appeal.

Easter season is a time of hope. There still is fear, there still is a painful awareness of sinfulness, but there also is light breaking through. Something new is happening, something that goes beyond the changing moods of our life. We can be joyful or sad, optimistic or pessimistic, tranquil or angry, but the solid stream of God's presence moves deeper than the small waves of our minds and hearts. Easter brings the awareness that God is present even when His presence is not directly noticed. Easter brings the good news that, although things seem to get worse in the world, the Evil One has already been overcome.
